

# *Simply Technology 4Kids*

## *2017 High School Senior Laptop Giveaway*

**What:** We are gifting two deserving high school seniors with a laptop to assist on their journey to college. As we are rapidly approaching the end of the school-year, please take a moment to recognize a student who's in need of a computer by submitting a letter of recommendation.

**Who:** Simply Technology 4Kids is a non-profit organization that donates technology to students whose families don't have the resources to obtain it. Our donations are for educational purposes, as we also provide summer technology workshops for students.

**Where:** At this time we are only able to gift computers to students in the DFW Metroplex area. We hope to expand to all 50 states as our resources continue to grow. Please visit <http://simplytech4kids.org> for donation and volunteer opportunities.

**Why:** In our Internet-based world, where a great deal of school assignments are completed online or using a computer, students without the proper technology can easily fall behind.

**How:** If you are an educator or work with children in any capacity, or know of a deserving student, please email a letter of recommendation to **[ajones@simplytech4kids.org](mailto:ajones@simplytech4kids.org)**. Please include progress, accomplishments, grit, or examples of leadership that this student has displayed throughout the school-year. Parents/guardians contact information should be submitted as well because if their child is selected, a release form will need to be signed prior to the student receiving the laptop.

**Deadline:** The deadline to be considered for this particular laptop submission is Wednesday, May 19<sup>th</sup>, 2017 by 4pm. Parents/guardians will be notified on

Monday, May 22<sup>nd</sup>, 2017. Parents/guardians will need to response within 24 hours of our initial call for their child to remain eligible. Arrangements will be made to drop off the laptops to the students along with transfer and consent forms.

Please visit our website at <http://simplytech4kids.org> or call us at (469) 563-2763 for more information about our Non-Profit organization.
